Shiksha Seva Foundation

About

Shiksha Seva Foundation is a nationally registered Non-profit organization which works with uttermost determination that every child should get proper education and women should get proper training that their life should enrich and blossom since 2012. Every Rupee received in donation, every project sanctioned goes a long way in reaching out to girl children and women. Our major Objective is to empower underprivileged girl child and women in rural and urban areas through education, healthcare and train them in self employed with our partner schools to kindle the light of education in each child.

Vision

We are here to improvise the socio economics status of the urban slums and rural village by supporting them in education and development.

Mission

- Promote Girl child education in India.
- Promote basic and life skill education amongst the underprivileged women.
- Contribute towards building a strong foundation for the nation through education, women empowerment, and development programs.
- Improve the quality of education and life for people in rural India.
- Build and provide better educational centres.
- Provide Nutritious and healthy food to underprivileged.
- Provide co-curricular activities which enhances the skill of children.
- Provide mobile health care facilities to schools and community in Rural Areas.

Our Values

Transperency

Honesty

Commitment

Integrity

Mr. Manikant R. Tiwari

To begin with, I am extremely grateful for the impressive journey I have had in the last two decades. It has been so overwhelming and pleasing to have this platform for myself and my team.

An NGO needs time to grow and so did mine. In 2000, I started my career as an executive in the Banking Sector. For nearly a decade I worked in the banking sector and learned so many new things that helped me in all my endeavors. Subconsciously I was preparing myself for the future. When I think about it, I suppose that mission was meant to be.

In 2012, when I started my NGO which has become my current goal and, I am very near to achieving my goal, if one asks, what made me start as a social wohter for the community? I would simply put Four Values forward - Integrity, Commitment, Honesty, and Transparency. The day I started with Shiksha Seva Foundation, Our NGO thrived to be the one-point contact for the Community and the underprivileged women, Education for Girls Child, Women Empowerment & Healthcare with excellent services and a positive approach.

In the year 2012, I started a charitable organization focusing on girl child education - Shiksha Seva Foundation supported 2173 girl's education in India. The changing narratives of today are paving the way for a new tomorrow where the ambitions and dreams of the females of our society are boundless. Our NGO thrives to make independent women of our country. I have heard our forefathers say, that it isn't important to educate the girls. Subconsciously, I rebelled and that rebel made me support the girls of our nation, educationally.

Believing the quote by Benjamin Franklin, "For every minute spent in organizing, an hour is earned" my journey was filled with simplicity and honesty making the trust of our community the foundation of our Non-profit organization.

Shiksha Seva Foundation

OUR APPROACH

We try to improvise the socio economical status of the urban slums and rural villages by supporting them in education, health, and self-development.

All the contributors like donors and volunteers are Under your Support. We address critical needs by working with parents, teachers, doctors, rural school staff Communities, and Asha bai in different states.

We emphasize changing behaviors and habits at the grade and encouraging public policy for sponsorship at a systemic level, thereby building a network where children are put together at the nation's significance.

Let's make a change in poor children's life

CHILDREN
Focusing on their significant needs Focusing on their health issues.

FAMILY
Changing their manners, View towards life and priorities toward children.

COMMUNITY
Rallying community investors like teachers, doctors, Rural OR Slum area girl child, & woman safety committees to take action for them.

PUBLIC
Sensitizing society to Make an environment where children are a priority, Make the community to encourage a girl child for education.

Saksham Scholarship

Shiksha Seva Foundation

Udaan Remedial Centre

A lack of access to basic services such as clean water, sanitation, healthcare, and education characterizes urban slums in India. The children of these urban slum dwellers like their parents don't have access to clean water, sanitation, proper nutrition, and quality education due to the unstable economic conditions of their parents. Shiksha Seva Foundation aims to provide all-round development for the children at its remedial center in an urban slum pocket by conducting remedial classes in the difficult subjects of Math, Science, and English besides providing nutritious food, conducting yoga classes, developing hobbies, conducting awareness sessions on cleanliness and hygiene, parental engagements and organizing games. The main objective of the Udaan Center is to provide quality education and creation of a nurturing environment for urban slum children.

The Udaan Remedial Centre in Billar Pada, Nallasopara East, continues to address educational gaps for students from pre-primary to primary levels. This year, we expanded our support by planning a new batch for 5th to 10th standard students. Partnerships with local schools have strengthened our outreach, providing essential educational support to underprivileged students.

Shiksha Seva Foundation

Kanya Shiksha Yojna

Shiksha Seva Foundation to address the vital need to address the issue of reducing dropout rates, especially among girls has started the Kanya Shiksha Yojana programme. Under the Kanya Shiksha Yojana, the school fees and all other educational expenses of a girl child belonging to an underprivileged background are taken care of and the girl child gets an opportunity to complete her school education without any obstacles and without causing a financial burden for her parents.

This year, our Kanya Shiksha Yojna provided Support for girls' education. Each girl received financial support helping them access quality education and creating socio-economic opportunities. The program, in partnership with government agencies and NGOs, includes monthly monitoring and academic tracking to assess impact and progress. In Mumbai, Swami Vivekananda School & Maulana Abul Kalam English High School were supported with scholarships and in-kind donations. We are also supporting scholarship in Gujarat, Madhya Pradesh, Odisha for underprivileged girls.

Shiksha Seva Foundation

Shiksha Smart Class

Integrating technology into education is vital in an era of rapid digital advancement. The Shiksha Seva Foundation is launching the "ShikshaSmart Class" project to address the gap in access to technology in classrooms. The initiative aims to modernize learning environments, ensuring that every student has access to cutting-edge educational tools and resources. The project is aligned with the national Digital India initiative, contributing to creating a digitally empowered society.

As the world shifts towards a digital future, the role of technology in education has become more prominent. The "ShikshaSmart Class" project by the Shiksha Seva Foundation aims to bring technology-enhanced learning to classrooms. By equipping schools with the latest tools, we strive to create an environment where students can thrive and teachers can leverage innovative teaching methods. This project complements the national Digital India initiative, promoting digital literacy and access to modern educational resources. Aligned with the Digital India initiative, the Shiksha Smart Class project has been transformative, creating technology-enhanced learning environments. This initiative includes the installation of technical TV units, which provide digital education resources for both teachers and students, promoting innovative teaching methods.

Empowering Education: Infrastructure Development at Swami Vivekananda School

Education is the foundation of a brighter future, and a well-equipped learning environment plays a vital role in shaping young minds. Recognizing the need for better infrastructure, the **Shiksha Seva Foundation** has taken the initiative to **support the development of a stage and podium** in one of the school halls at **Swami Vivekananda School, Dahisar.**

To address this, the foundation is committed to **building resilient infrastructure** in alignment with **Sustainable Development Goal 9 (SDG-9)**—which focuses on promoting **inclusive and sustainable industrialization and fostering innovation**

Enhancing Educational Opportunities – A dedicated stage will provide students with a platform to showcase their talents, improving confidence and communication skills.

Encouraging Holistic Development – With a well-structured podium, interactive learning sessions, debates, and seminars will become more engaging and effective.

Supporting Community Growth – The upgraded infrastructure will serve as a hub for not just school activities, but also for community-driven educational and awareness programs.

Impact of the Project

This initiative will directly benefit hundreds of students by creating an inspiring and engaging environment for their holistic development. The presence of a well-constructed stage will open doors for better public speaking opportunities, cultural activities, and leadership programs, fostering a well-rounded educational experience.

Shiksha Seva Foundation

Swasth Bharat

Under this initiative, the Swasth Bharat Program launched a diagnostic center named 'Hindcare,' offering affordable healthcare services with tiered discounts based on socioeconomic status. Additionally, we are working on acquiring a mini-ambulance to improve healthcare accessibility for slum residents, focusing on emergency transportation needs.

The Swasth Bharat project by the Shiksha Seva Foundation is dedicated to improving healthcare access for underprivileged communities. Through our Hindcare Diagnostic Clinic, we provide essential diagnostic services at discounted rates, making quality healthcare affordable for low-income families. Patients are eligible for subsidies based on their socioeconomic status, ensuring those most in need receive critical health services.

Additionally, the project includes regular health camps in schools for underserved communities. These camps offer free screenings, health check-ups, and guidance, aiming to foster a healthier future for children and raise health awareness.

Shiksha Seva Foundation

Saksham Scholarship

Considering the current scenario where higher education appears beyond the reach of the poor and underprivileged classes, Shiksha Seva Foundation has launched the Saksham Scholarship program for needy youth belonging to poor and underprivileged families. Shiksha Seva Foundation through Project Saksham plans to support over 1000 students between the age group of 14 – 25 years over 01-03 years across India. The project envisions putting in rigorous effort to empower the beneficiaries to realize their educational aspirations and career goals by providing scholarship support and constant handholding throughout the education period.

The Saksham Scholarship project, spearheaded by the Shiksha Seva Foundation, aims to provide an opportunity for youth from underprivileged backgrounds to pursue their dreams of higher education and reduce dropout rates due to financial conditions. Shiksha Seva Foundation was established in the year 2012, As beneficiaries across India can qualify for the Saksham Scholarship, this project goes a long way in empowering youth from underprivileged backgrounds through education in India, while simultaneously bringing down the dropout rates.

Shiksha Seva Foundation

Shiksha Smart Class

Launch of Shiksha Smart Class at Swami Vivekananda School

We are thrilled to share the successful launch of the Shiksha Smart Class project on October 23, 2024, at Swami Vivekananda School. This initiative is a significant step towards bridging the digital divide and providing equitable access to quality education for underprivileged students.

Swami Vivekananda School is home to many students from economically disadvantaged backgrounds who have had limited exposure to modern technology-driven education. Recognizing the critical need for digital empowerment in such schools, the Shiksha Smart Class initiative has been introduced to transform traditional classrooms into interactive, technology-enhanced learning environments.

Key Highlights of the Launch:

- Direct Beneficiaries: Over 2,000+ students will directly benefit from this project, gaining access to modern educational tools and resources.
- Objective: To empower students by integrating digital education into their curriculum, fostering innovative teaching methods, and enhancing overall academic performance.
- Alignment with National Goals: The initiative aligns with the Digital India mission, aiming to equip schools and students with 21st-century skills.

The launch event marked a milestone in the journey of ensuring every child, regardless of their socioeconomic background, has the opportunity to learn, grow, and excel in a digitally driven world.

Shiksha Seva Foundation

With Shiksha Smart Class, we aim to unlock the potential of education by making it accessible, engaging, and impactful for students at Swami Vivekananda School and beyond. This is just the beginning of a brighter future for these young minds!

Shiksha Seva Foundation

Project Launch

Hindcare Polyclinic Diagnostic Centre

The Shiksha Seva Foundation proudly announces the launch of the Hindcare Polyclinic Diagnostic Centre on Mira Road. This initiative is dedicated to serving the underprivileged community by providing accessible and affordable healthcare services.

Services Offered

At Hindcare Polyclinic Diagnostic Centre, we offer a wide range of medical check-ups and diagnostic services, including:

Affordable Diagnostics:

- **ENT Check-up**
- **Eye Check-up**
- **Gynaecologists' Checkup**
- **Physician Check-up**
- **Orthopaedic Consultation**
- **Low-cost Sonography and MRI Scans**

Affordable & Accessible Healthcare for All

To ensure accessibility for economically weaker sections, we offer discounted and free services:
Free diagnostic tests for individuals with a Yellow Ration Card
Upto 75% discount for orange colour Ration Card holders
Upto 40% discount for white colour Ration Card holders

Community Health Initiatives

Health Camps for Slum Communities: Regular free health check-up camps are conducted to ensure healthcare reaches the most vulnerable populations.

Health Camps for School Students: Free health check-up camps are organized for school children to promote preventive healthcare from an early age.

Impact and Outreach

Over the past year, the Hindcare Polyclinic Diagnostic Centre has supported over 7,000 beneficiaries, providing them with essential healthcare services and improving community well-being.

This initiative reaffirms our commitment to healthcare accessibility and community welfare. With continued support, we aim to expand our reach and impact even further in the coming years.

Sustainable Development Goals (SDGs) that Shiksha Seva Foundation can focus on, beyond SDG-4 (Quality Education), to further align its work with global development priorities:

SDG-1: No Poverty

Addressing poverty through Udaan Remedial Centre education and vocational training contributes to lifting families out of poverty, which in turn reduces inequalities and enhances overall economic stability in communities.

SDG -2 Zero Hunger

We actively support SDG 2 - Zero Hunger by ensuring that students have access to nutritious, balanced meals that contribute to their overall well-being and academic success. As part of our efforts, we provide regular, healthy meals to underprivileged children, focusing on nutrient-rich food that supports their physical growth, cognitive development, and ability to concentrate in class.

SDG-3: Good Health and Well-being

Supporting health care programs Through Swath Bharath, especially for women and children, ensures holistic development. The foundation could contribute by focusing on health initiatives, improving nutrition, and sanitation, and providing healthcare access for underprivileged schools through diagnostic camps.

SDG -4 Quality Education

The Shiksha Seva Foundation advances SDG 4 by ensuring access to quality education, particularly for underprivileged girls, through projects like Kanya Shiksha Yojna. It promotes skill development with programs like Stree Astitva and Saksham Scholarship, reduces gender disparities with resources like digital classrooms and bicycles, and enhances learning environments through initiatives such as Shiksha Smart Class. By bridging gaps in access, equity, and infrastructure, the Foundation drives transformative education for vulnerable communities.

SDG -5 Gender Equality

Empowering girls and women align directly with this goal. The foundation's work on women's empowerment through skill development and education helps achieve gender equality and enhances women's role in society.

SDG 9: Industry, Innovation, and Infrastructure

SDG 9: Industry, Innovation, and Infrastructure emphasizes building resilient infrastructure and fostering innovation. Modernizing education infrastructure through smart classrooms, digital resources, and technology integration aligns with Bridging the Digital Divide: Technology access ensures equitable education opportunities for underserved communities. Strengthening Infrastructure: Smart, tech-enabled classrooms support resilient and sustainable learning environments.

Shiksha Seva Foundation

Our Volunteers and Interns

Mehek Piyush Lakhani
Student, SYBA – Mithibai College of Arts

My experience with the Shiksha Seva Foundation was truly transformative. I gained a deep understanding of the tireless efforts that go on behind the scenes to bring education to underprivileged children. This journey opened my eyes to the stark reality that while so many children have the desire to learn and grow, they lack access to basic educational resources.

Seeing their determination despite their struggles was both humbling and inspiring. It reinforced my belief that education is a powerful equalizer no matter our background, we all share the same aspirations and dreams. This experience strengthened my sense of compassion and social responsibility.

Ayushi Goankar
Student, St. Andrew's College

One of the most rewarding aspects of my time here was witnessing the tangible results of our collective efforts. Whether it was participating in the community outreach program, contributing to a fundraising campaign, or simply offering a helping hand where it was needed most, I could see the positive changes unfolding right before my eyes. It was incredibly fulfilling to know that my contributions, no matter how small, played a part in empowering underprivileged children and giving them access to the education and opportunities they deserve.

I am incredibly grateful to the Shiksha Seva Foundation for allowing me to be part of such impactful work

ANKUSH PAL
Lovely Professional University

Shiksha Seva Foundation, I had the wonderful opportunity to immerse myself in the world of Corporate Social Responsibility (CSR) and discover the impactful initiatives taken by the organization to empower women, enhance healthcare, and promote child education.

Under the guidance of the esteemed Varsha Ma'am and Sandra Ma'am, my journey began by delving into the CSR department's functions. I learned how CSR plays a pivotal role in corporate resources for social welfare. Witnessing their relentless commitment to uplift communities and bridge societal gaps through well-thought-out projects was truly inspiring. The focus on women's empowerment touched my heart deeply.

Karti Gupta
Flame University

Working alongside with the dedicated team at Shiksha Seva Foundation, I've witnessed firsthand the impact that a passionate group of people can have on the lives of those in need. Whether it's providing education, healthcare, or basic necessities, this organization is relentless in its pursuit of creating a better future for the underserved.

Shiksha Seva Foundation

Student Testimonial

Kanya Shiksha Yojana- Dharavi

*My name is **Ameena Khatoon**, and I am a student in the 8th standard at Maulana Abul Kalam High School in Dharavi. Coming from a family of five, life has always been challenging. My father sells fruits on the roadside, and most of his earnings go toward my mother's dialysis treatment, making it difficult to afford even our basic needs. As school-going children, my siblings and I have struggled with financial hardships, especially in affording school fees, stationery, and uniforms. Shiksha Seva Foundation. They provided me with uniforms, a school bag, and stationery, and covered my fees. This assistance has been a life-changing support system, allowing me to focus on my studies without the constant worry of financial difficulties.*

Kanya Shiksha Yojana- Dahisar

*I am **Vaishnavi Gaikar**, a student of Swami Vivekananda School, and I am deeply grateful to the Shiksha Seva Foundation for transforming my life through their unwavering support. Losing both my parents during the COVID-19 pandemic left me with immense emotional and financial challenges. The weight of my education expenses academic fees, uniforms, shoe shocks, and Bag Stationary Support.*

However, the Shiksha Seva Foundation became my pillar of strength. Their support not only ensured that I continued my education but also relieved my family of a heavy financial burden.

Udaan Remdial Centre- Dharavi

***Manisha Mathri** has shown consistent academic growth over the past year. She secured 72% in her previous academic session, and with dedicated efforts and support from the Drona Udaan remedial center, she has improved her performance, achieving 75% in the current semester.*

Manisha's mother is a homemaker, while her father, Venkatesh, works in housekeeping. She has two siblings—one brother and one sister—who are also part of the family's journey towards a better future. With a strong passion for the medical field, Manisha dreams of becoming a doctor. She is committed to her studies and determined to turn this dream into reality.

Udaan Remdial Centre- Nalasopara

*My name is **Jasmin Pravin**, Last year, I achieved a 72% score, a milestone that reflects my dedication and the support I receive at home. My mother, a passionate teacher, and my father, a hardworking electrician, have always instilled in me the value of education even when times are tough.*

In our journey, the Shiksha Seva Foundation has been a true blessing. Their generous support with my academic fees and overall educational resources has lifted a heavy burden off our shoulders, allowing me to focus on my studies and personal growth. This assistance has not only improved my academic performance but has also ignited my aspirations for a brighter future.

Our Donors and Partners

Shubhankar Singh- *Analyst*

My experience with Shiksha Seva Foundation has been incredibly rewarding. The organization's commitment to promoting education for girls has made a significant impact in the community. I appreciate their dedicated approach and effective programs that empower young girls to pursue their dreams through education.

Supporting this noble cause has been fulfilling and heartwarming. Knowing that my contributions help in providing education and opportunities to underprivileged girls gives me a profound sense of purpose. It reinforces my belief in the importance of education as a fundamental right for every child.

I encourage everyone to support initiatives like Shiksha Seva Foundation or any cause that resonates with you. Support doesn't always mean financial assistance; it can also involve volunteering your time, sharing knowledge, or raising awareness in your community. Every effort counts and contributes to making a meaningful difference. Together, we can help create a brighter future for girls and empower them to reach their full potential in various impactful ways.

Kunal vasant kamthe- *Software Engineer*

My experience with SSF is extremely good.

I am truly honored to support this incredible charity. Their unwavering dedication to improving the lives of children in need is nothing short of inspiring. Each time I contribute, I am filled with a sense of hope and joy, knowing that my donation is making a tangible difference. The compassion and care shown by the team are extraordinary, and it's heartwarming to see the positive impact they have on these young lives. I wholeheartedly believe in their mission and encourage others to join in this noble cause

Shiksha Seva Foundation

Award & Recognition

Respected Governor of Maharashtra Mr. Bhagat Singh Koshyari at Raj Bhavan, Mumbai for the exemplary work into Social Welfare & Kanya Shiksha Yojana.

Over the years, Shiksha Seva Foundation has been honored by a number of organizations, groups, societies, and institutions for its philanthropic work. This is a great honor and a demonstration of their trust in our contribution towards society. By receiving these awards and recognitions, we are encouraged and feel confident that we are on the right course, while it also reminds us of our responsibility toward the community as a whole. We have received these awards for our contribution towards the marginalized section and impacting the lives of the communities.

Shiksha Seva Foundation

How You Can Help?

The Shiksha Seva Foundation has been trying to improve the lives of underprivileged children. Top brands and big companies are more conscious of social responsibility and sustainable development.

Come together with Shiksha Seva Foundation for volunteers, donations, or individual support. Your contribution to the cause of giving support to every child an equal chance to learn and develop. Leaders: If you're a student and love meeting new people, you'll be able to become a child rights leader and organize on-ground activities to lift awareness for youngsters. Volunteers: If you get pleasure from operating with children and the communities that they live in, you'll be able to become a community volunteer and head of their learning and growth. If you're still in school but wish to explore the spirit of volunteering, you'll become a student volunteer. We will minister your guided expertise in an exceeding approach that helps you learn new things every day!

Overseas Volunteers: If you're trying to use your experience for a cause but might not be able to do so in the flesh, you'll become an overseas volunteer and work online on a diverse set of impactful projects.

Internships: If you would like to realize invaluable professional skills, you'll be able to become an SSF intern and get an opportunity to work with different departments at SSF Donor. Being an individual donor, you can support underprivileged kids with education, school fees, clothes, and food. Let's support with a small donation of educational kits to poor girl children and help them to get back to school and make them happy.

Raise funds for Shiksha Seva Foundation by crowdfunding online and encouraging your people to donate to SSF as a gift on your birthday or special day.

Scan this QR code to Donate

UPI Code: Scan our UPI QR code by following the apps BHIM, Google Pay, PhonePe, and Paytm to make the donation. Once you have donated, write to us at info@shikshaseva.org with your transaction number and personal details like name, email ID, mobile number, and PAN number so we can issue your tax exemption certificate.

Shiksha Seva Foundation

Shiksha Seva Foundation: Future Goals (2024-2025)

As we move forward, **Shiksha Seva Foundation** is dedicated to expanding its reach and impact in the areas of **education, healthcare, and community development.** Our key objectives for the coming year include:

1. **Expanding the Kanya Shiksha Yojana**
- Partnering with **10 underprivileged schools** to provide scholarships and educational support to deserving girls.
- Reaching **20,000+ students** through our scholarship programs.

2. **Strengthening Educational Initiatives**
- Establishing Creating full fledge 3 Udaan Remedial Centre capable of handling students and giving education affiliated to the government for standard level education facility in a charitable manner
- Setting up **Shiksha Smart Classes in at least 10 classrooms,** transforming them into **digital learning spaces** with modern technology.

3. **Enhancing Healthcare**
- Expanding the **Swasth Bharat Project to 8,000+ beneficiaries,** improving hygiene and sanitation awareness.
- Strengthening **Hindcare Polyclinics Diagnostic Centre As well as full Hospital setup** by enhancing infrastructure, adding **medical equipment,** and increasing **ambulance facilities** to improve emergency healthcare services.

4. **Strengthening Organizational Growth & Partnerships**
- Focusing on engaging **more corporate companies** as CSR partners to expand our programs.
- Strengthening and expanding our **internal team,** ensuring **better efficiency, outreach, and impact** across all initiatives.
