EMPOWERING GIRLS AND WOMEN

About

Shiksha Seva Foundation is a nationally registered Non-profit organization which works with uttermost determination that every child should get proper education and women should get proper training that their life should enrich and blossom since 2012. Every Rupee received in donation, every project sanctioned goes a long way in reaching out to girl children and women. Our major Objective is to empower underprivileged girl child and women in rural and urban areas through education, healthcare and train them in self employed with our partner schools to kindle the light of education in each child.

Vision

We are here to improvise the socio economics status of the urban slums and rural village by supporting them in education and development.

Mission

We are here to improvise the socio economics status of the urban slums and rural village by supporting them in education and development.

Mr. Manikant R. Tiwari

Founder Desk

To begin with, I am extremely grateful for the impressive journey I have had in the last two decades. It has been so overwhelming and pleasing to have this platform for myself and my team.

An NGO needs time to grow and so did mine. In 2000, I started my career as an executive in the Banking Sector. For nearly a decade I worked in the banking sector and learned so many new things that helped me in all my endeavors.

Subconsciously I was preparing myself for the future. When I think about it, I suppose that mission was meant to be.

In 2012, when I started my NGO which has become my current goal and, I am very near to achieving my goal, if one asks, what made me start as a social worker for the community? I would simply put Four Values forward - Integrity, Commitment, Honesty, and Transparency. The day I started with Shiksha Seva Foundation, Our NGO thrived to be the one-point contact for the Community and the underprivileged women, Education for Girls Child, Women Empowerment & Healthcare with excellent services and a positive approach.

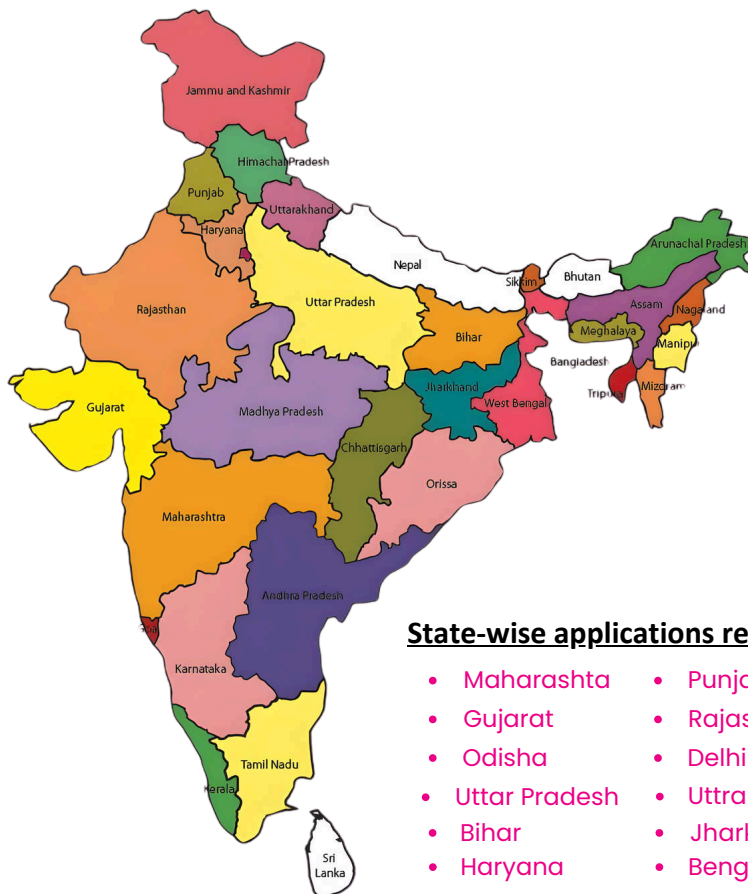

In the year 2012, I started a charitable organization focusing on girl child education - Shiksha Seva Foundation supported 2173 girl's education in India. The changing narratives of today are paving the way for a new tomorrow where the ambitions and dreams of the females of our society are boundless. Our NGO thrives to make independent women of our country. I have heard our forefathers say, that it isn't important to educate the girls. Subconsciously, I rebelled and that rebel made me support the girls of our nation, educationally.

Believing the quote by Benjamin Franklin, "For every minute spent in organizing, an hour is earned" my journey was filled with simplicity and honesty making the trust of our community the foundation of our Non-profit organization.

OUR APPROACH

We try to improvise the socio economical status of the urban slums and rural villages by supporting them in education, health, and self-development.

All the contributors like donors and volunteers are Under your Support. We address critical needs by working with parents, teachers, doctors, rural school staff Communities, and Asha bai in different states.

We emphasize changing behaviors and habits at the grade and encouraging public policy for sponsorship at a systemic level, thereby building a network where children are put together at the nation's significance.

Let's make a change in poor children's life

CHILDREN

Focusing on their significant needs Focusing on their health issues.

FAMILY

Changing their manners, View towards life and priorities toward children.

COMMUNITY

Rallying community investors like teachers, doctors, Rural OR Slum area girl child, & woman safety committees to take action for them.

PUBLIC

Sensitizing society to Make an environment where children are a priority, Make the community to encourage a girl child for education.

CAUSE YOU CAN SUPPORT

EDUCATION

At Shiksha Seva, education is our catalyst for change. Through innovative projects like Kanya Shiksha Yojana, scholarship Saksham and Udaan remedial centres, we're bridging gaps and nurturing talent. Empowering and uplift communities, creating a ripple effect of knowledge and opportunity.

HEALTHCARE

With initiatives like HindCare under Swasth Bharat program, Shiksha Seva is breaking barriers to healthcare access. Our mission is clear: deliver quality medical services to underserved communities. We're stitching together a healthier, happier society for all.

NUTRITION

Shiksha Seva's nutrition projects are more than meals. From school feeding programs to maternal health support, we're nurturing wellness and unlocking potential. Through balanced nourishment, we're building healthier, brighter tomorrows for individuals and communities alike.

EMPOWERMENT

Astitva, Shiksha Seva's flagship women empowerment project, envisions a world of equality and resilience. Through skill development, mentorship, and advocacy, we're elevating women to stand as pillars of progress.

STRATEGIC PROGRAM PORTFOLIO

- The Foundation operates through six major verticals: Saksham Scholarship Programme, Kanya Shiksha Yojana, Udaan Remedial Centre, Shiksha Smart Class Programme, ASTITVA Women Empowerment Initiative, and Swasth Bharat Community Health Program.
- Collectively, these programs reduce dropout rates, enhance digital literacy, strengthen women's economic independence, and improve access to affordable healthcare while aligning with multiple Sustainable Development Goals.

These initiatives contribute and aligned to the achievement of the United Nations' United Nations Sustainable Development Goals by advancing:

SDG -1: No Poverty

Addressing poverty through Udaan Remedial Centre education and vocational training contributes to lifting families out of poverty, which in turn reduces inequalities and enhances overall economic stability in communities.

SDG -2 Zero Hunger

We actively support SDG 2 - Zero Hunger by ensuring that students have access to nutritious, balanced meals that contribute to their overall well-being and academic success. As part of our efforts, we provide regular, healthy meals to underprivileged children, focusing on nutrient-rich food that supports their physical growth, cognitive development, and ability to concentrate in class.

SDG-3: Good Health and Well-being

Supporting health care programs Through Swasth Bharath, especially for women and children, ensures holistic development. The foundation could contribute by focusing on health initiatives, improving nutrition, and sanitation, and providing healthcare access for underprivileged schools through diagnostic camps.

SDG -4 Quality Education

The Shiksha Seva Foundation advances SDG 4 by ensuring access to quality education, particularly for underprivileged girls, through projects like Kanya Shiksha Yojana. It promotes skill development with programs like Stree Astitva and Saksham Scholarship, reduces gender disparities with resources like digital classrooms and bicycles, and enhances learning environments through initiatives such as Shiksha Smart Class. By bridging gaps in access, equity, and infrastructure, the Foundation drives transformative education for vulnerable communities.

SDG -5 Gender Equality

Empowering girls and women align directly with this goal. The foundation's work on women's empowerment through skill development and education helps achieve gender equality and enhances women's role in society.

SDG 9: Industry, Innovation, and Infrastructure

SDG 9: Industry, Innovation, and Infrastructure emphasizes building resilient infrastructure and fostering innovation. Modernizing education infrastructure through smart classrooms, digital resources, and technology integration aligns with Bridging the Digital Divide: Technology access ensures equitable education opportunities for underserved communities. Strengthening Infrastructure: Smart, tech-enabled classrooms support resilient and sustainable learning environments.

Education Programs

SAKSHAM SCHOLARSHIP PROGRAMME

The Saksham Scholarship Programme aims to empower underprivileged youth aged 14 to 25 by providing financial support for higher education. The project targets economically disadvantaged students who are eager to pursue their academic aspirations but face significant financial barriers. By offering scholarships, this initiative seeks to create opportunities for the youth to access quality education, improve their socio-economic standing, and contribute positively to their communities.

We believe that every dream deserves a chance. Beyond supporting their education, we empower our scholars to break limitations, and aspire to achieve what once seemed impossible. Our scholarships support students pursuing ITI, Diploma, IT, B.Tech, Graduate and Postgraduate degrees, Medical, MBA, and STEM-related courses — fields that shape the future of our nation and the world.

Our motto is to empower and aspire the girls to think beyond boundaries.

The programme goes far beyond financial aid — it is designed for the holistic development of every scholar. By easing the financial burden on families, we significantly reduce the risk of dropouts and allow students to focus fully on their aspirations.

Under the scholarship programme, the education support is provided through financial assistance to continue education to the deserving meritorious girl students from the weaker section of the society and empowers the beneficiaries through life skills & personality development sessions. The program focuses on scholars to make them self-aware, informed about well-being and focused towards their aspirations. This helps them to become 'Change Agents' to inspire their peers to continue education and focus on future goal.

KEY HIGHLIGHTS

- The Saksham Scholarship Programme, has scaled significantly to deliver measurable educational outcomes through the efforts of Shiksha Seva Foundation.
- The programme has been rolled out across multiple states including Maharashtra, Gujarat, Odisha, Uttar Pradesh, Bihar, Haryana, Punjab, Rajasthan, Delhi, Uttarakhand, Jharkhand, and Bengaluru (Karnataka).
- This wide-reaching, multi-state implementation has ensured equitable access to education, empowering students from diverse regions to continue their learning journeys and realize their academic potential.

IMPACT

- Improved access to school and higher education for underprivileged students
- Reduction in school and college dropout rates
- Enhanced academic confidence and motivation among beneficiaries
- Long-term socio-economic empowerment of students and their families
- Contribution toward building an educated and skilled future workforce

Foundation**
EMPOWERING GIRLS AND WOMEN

Education Programs

KANYA SHIKSHA YOJNA

Kanya Shiksha Yojana (KSY) is a flagship education initiative of Shiksha Seva Foundation aimed at promoting access to education, retention, and holistic development of underprivileged girls from slum and marginalized communities across Maharashtra, Uttar Pradesh, and Gujarat. The program focuses on ensuring continuity of education for the girl child while actively addressing and reducing school dropout rates.

The impact of KSY is transformative. Girls once forced to abandon their education due to financial hardship are now returning to school with renewed hope and determination. This initiative has sparked measurable change—boosting academic performance, improving attendance, and significantly increasing retention rates. But the true power of KSY lies beyond the classroom. By empowering underprivileged girls to pursue their education, we are helping them break the cycle of poverty and become agents of change within their communities. When girls are educated, they unlock not only their own potential but also pave the way for lasting societal progress.

KEY HIGHLIGHTS

- The initiative has delivered holistic educational support — including scholarships, school supplies, uniforms, health check-ups, and menstrual hygiene awareness.
- The impact is evident in increased enrolment, improved academic performance, and greater empowerment of young learners, making the programme a powerful driver of inclusive education and social development.

IMPACT

- Increased enrolment and retention of girls from economically weaker families
- Improved academic performance through continuous monitoring and academic support
- Enhanced socio-economic empowerment of families and communities through education of young women
- Generation of data-driven insights to strengthen program effectiveness and enable scalability

Strengthening Learning Ecosystems

UDAAN REMEDIAL CENTRE

The rapid growth of urban populations in India has intensified inequality, leaving marginalized communities especially children in urban and rural slums deprived of basic rights and opportunities. Shiksha Seva Foundation has been addressing these challenges through its Udaan Remedial Centre, which has positively impacted 15K+ students over the last 12 years in Maharashtra. The centre focuses on holistic child development through remedial education, nutritious meals, physical activity, hobby development, hygiene awareness, and parental engagement.

KEY HIGHLIGHTS

- The programme delivers holistic services including remedial education in Math, Science, and English, nutritious meals, physical activities and hobbies, hygiene awareness, counselling, and parental engagement.
- This comprehensive approach has impacted over 15,000 children, with 2,060 directly supported through Alkem's CSR contribution.
- By combining academic support with health, nutrition, and family engagement, the initiative has strengthened learning outcomes and well-being, creating a lasting impact on children's education and overall development.

IMPACT

- Improved educational outcomes and learning levels of underprivileged children.
- Enhanced physical and mental well-being through nutrition, hygiene, and activity-based interventions.
- Holistic growth, empowering children to break the cycle of poverty.

**Shiksha Seva
Foundation**
EMPOWERING GIRLS AND WOMEN

SHIKSHA SMART CLASS PROGRAMME

The Shiksha Smart Class Programme focuses on upgrading traditional classrooms into smart classrooms through the integration of digital infrastructure such as interactive panels/projectors, audio-visual learning tools, and curriculum-aligned digital content. The programme also places strong emphasis on teacher capacity building, enabling educators to effectively use technology to enhance student engagement and learning outcomes.

A digital transformation initiative upgrading classrooms into technology-enabled learning spaces across Maharashtra.

KEY HIGHLIGHTS

- The Saksham Smart Classroom Initiative, has transformed learning environments in Maharashtra by driving digital inclusion and modern education.
- To date, more than 3,000 students have gained access to engaging, technology-enabled learning resources, ensuring that quality education is not limited by geography or circumstance but powered by innovation and inclusivity.

IMPACT

- Improved academic performance and conceptual understanding
- Increased interest in learning and reduced absenteeism
- Strengthened teaching quality and classroom delivery
- Long-term contribution to improved retention and learning continuity

**Shiksha Seva
Foundation**
EMPOWERING GIRLS AND WOMEN

WOMEN EMPOWERMENT – ASTITVA

The Shiksha Smart Class Programme focuses on upgrading traditional classrooms into smart classrooms through the integration of digital infrastructure such as interactive panels/projectors, audio-visual learning tools, and curriculum-aligned digital content. The programme also places strong emphasis on teacher capacity building, enabling educators to effectively use technology to enhance student engagement and learning outcomes.

KEY HIGHLIGHTS

- The Astitva project in Maharashtra supports women aged 18–45 from low-income urban communities, particularly in slum areas like Nallasopara, focusing on those engaged in informal or unskilled work.
- Through initiatives in skill development, financial literacy, and entrepreneurship support, the program has empowered over 16,000 beneficiaries by enhancing employability and income generation opportunities annually.

IMPACT

- Increased household income
- Improved confidence and decision-making
- Reduced economic vulnerability

EMPOWERING GIRLS AND WOMEN

SWASTH BHARAT -Community Health Program

Access to affordable healthcare remains a challenge for underprivileged communities. The Swasth Bharat initiative addresses this through structured health interventions.

The Swasth Bharat Program is a community-centered healthcare initiative focused on strengthening medical infrastructure and enhancing access to quality healthcare services across underserved regions. As part of this program, the Shiksha Seva Foundation's Hindcare Polyclinic & Diagnostic Centre is being equipped with essential medical and diagnostic equipment. This initiative aims to elevate the standard of care provided at the charitable healthcare center, with a particular emphasis on diagnostics and ophthalmology. By upgrading facilities and expanding service capabilities, the Swasth Bharat Program seeks to improve early detection, treatment, and overall health outcomes for the local population.

KEY HIGHLIGHTS

- Under the health initiative, supported by CSR partners.
- The program implemented through four key components: Community Polyclinic Support to strengthen existing facilities and provide regular consultations, treatment, and referrals;
- Affordable Diagnostic Services offering low-cost tests in partnership with local centres for early detection of chronic and lifestyle diseases; Health Camps delivering periodic multi-specialty screenings with a special focus on women, children, and the elderly; and Health Awareness & Nutrition Education through community sessions on preventive healthcare, hygiene, nutrition, and government health schemes.
- Together, these interventions aim to build healthier communities with accessible, affordable, and impactful healthcare solutions

IMPACT

- Early disease detection
- Reduced financial burden
- Improved preventive healthcare practices

FINANCIAL OVERVIEW

At Shiksha Seva Foundation, financial strategy is not an administrative exercise — it is a mission-aligned commitment to maximize measurable social impact.

During FY 2024–25, the Foundation strengthened its program-first deployment model, ensuring that the majority of financial resources were directed toward beneficiary-centred initiatives across education, digital inclusion, women empowerment, and healthcare.

Our allocation philosophy remains guided by three principles:

- **Impact Priority**
- **Governance Integrity**
- **CSR Compliance Excellence**

**Shiksha Seva
Foundation**
EMPOWERING GIRLS AND WOMEN

CSR & CORPORATE ENGAGEMENT

Corporate Social Responsibility (CSR) partnerships have been instrumental in scaling Shiksha Seva Foundation's programs across India. We extend our sincere gratitude to AM/NS India, Paytm Foundation, CRIF High Mark, (SBI), Alkem Foundation, S. Kushalchand International Private Limited, West Wind Associations, SBI Payments, JANA Small Finance Bank, LEA Associates South Asia and for their continued trust and commitment. Through these strategic collaborations, the Foundation has been able to deliver measurable social impact supported by structured monitoring frameworks and outcome-driven implementation.

These partnerships ensure transparent fund utilization through strong compliance and reporting systems while enabling scalable and sustainable program models that create long-term community transformation. Their support not only strengthens governance standards but also amplifies the collective effort to build equitable and empowered communities across the country.

GOVERNANCE & LEADERSHIP

The Foundation's financial architecture is anchored in a transparent and compliance-ready structure that strengthens stakeholder trust and CSR alignment.

1. Transparency & Accountability

Comprehensive documentation, audit mechanisms, and structured reporting systems ensure responsible and traceable fund utilization.

2. CSR Compliance Readiness

Deployment is aligned with statutory CSR guidelines, supported by utilization certificates, measurable KPIs, and impact dashboards.

3. Measurable Social Return on Investment (SROI)

Deployment is Each financial allocation is mapped against defined outputs and long-term outcomes – linking expenditure to dropout reduction, income generation, digital literacy enhancement, and healthcare access expansion. aligned with statutory CSR guidelines, supported by utilization certificates, measurable KPIs, and impact dashboards.

STRATEGIC ROADMAP

The Foundation aims to expand scholarship coverage, scale digital classrooms, increase women livelihood training capacity, strengthen healthcare outreach, and implement advanced monitoring and evaluation dashboards to enhance data-driven impact delivery.

- Expand scholarship coverage to new districts
- Strengthen digital education access
- Scale women livelihood programs
- Deepen healthcare outreach
- Enhance monitoring & impact measurement systems

TESTIMONIALS

Shiksha Seva Foundation continues to build equitable communities and sustainable futures through structured, scalable, and accountable social interventions. With strong CSR partnerships and community engagement, the organization remains committed to transforming lives across India.

FROM TEACHERS

SMT. MANJUSHA MUKUND KUVAR

Swami Vivekanand school, Dahisar East

I would like to express my sincere gratitude to Shiksha Seva Foundation for their generous support to our school.

With the provided support, we can see the change and improved performance of the students. Now they are taking more interest in the classroom and showing enthusiasm towards learning and attending school on regular basis. Your support goes far beyond just providing resources—it is about empowering our students to realize their full potential.

Thank you for believing in us and for making such a positive and lasting impact on our school and the wider community.

MRS. SHALAKA MAKARAND KALKAR

Swami Vivekanand school, Dahisar East

Supporting our students by covering school fees and providing essential supplies has given our beneficiaries immense scope of expansion. It actually eased for us to make them more hopeful and motivational towards their aspiration and career path.

Once again, thank you from the bottom of my heart for everything the partnership has done.

Your kindness has touched our students' lives in a truly meaningful way, and for that, we are deeply grateful.

TESTIMONIALS

Shiksha Seva Foundation continues to build equitable communities and sustainable futures through structured, scalable, and accountable social interventions. With strong CSR partnerships and community engagement, the organization remains committed to transforming lives across India.

FROM PARENTS

MRS. UMA MAHESH PATIL

Swami Vivekanand school, Dahisar East

The intervention enabled my daughter to get the quality education she deserves and discover her path ways to achieve and become self-independent.

I would like to express my deepest thanks to the Shiksha Seva Foundation for their support in covering my daughter's school fees and providing her with essential items like books, a school bag, stationery, and a uniform.

You have shown that giving is not just about making a donation—it's about making a real difference in someone's life.

Thank you for standing with us and for being a part of our journey.

MRS. RAMABAIKRUSHNA KAMBLE

Swami Vivekanand school, Dahisar East

The dream I have thought for my daughter is becoming true with the support of the Shiksha Seva Foundation.

Coming from marginalised background and so many liabilities we had never thought to go beyond our limitations. However, watching her learning into a school is a complete bliss.

Please know that your investment in her education will never be wasted or taken for granted. We are deeply thankful for the difference you are making in her life.

FROM BENEFICIARIES

MRS. NIRMITI NAIR

Swami Vivekanand school, Dahisar East

My name is Nirmiti Nair, a student at Swami Vivekananda Education Centre, Dahisar (East). I am incredibly grateful to the Shiksha Seva Foundation for their unwavering support.

Their support came at a time when it was most needed, and I cannot express how deeply it has impacted my life. It has given me the confidence and motivation to pursue my dream career and strive for excellence in everything I do. Under the project, my school fees, uniform, and stationery are covered — I have been able to focus wholeheartedly on my studies without the stress of financial burdens. This support has not only lightened the load for my family but has also been a turning point in my academic journey.

MRS. PRIYANSHI ASHISH PANDEY

Swami Vivekanand school, Dahisar East

Enrolling into the school was not an easy, there was lot of financial constraint at my families' end. Because of this support, I am able to continue my education without interruption and confidently pursue my academic goals.

This initiative has opened doors to opportunities. The education I am receiving today will shape my future, thank you SSF for being such an important part of my journey.

HOW YOU CAN HELP?

The Shiksha Seva Foundation has been trying to improve the lives of underprivileged children. Top brands and big companies are more conscious of social responsibility and sustainable development.

Come together with Shiksha Seva Foundation for volunteers, donations, or individual support. Your contribution to the cause of giving support to every child an equal chance to learn and develop. **Leaders:** If you're a student and love meeting new people, you'll be able to become a child rights leader and organize on-ground activities to lift awareness for youngsters. **Volunteers:** If you get pleasure from operating with children and the communities that they live in, you'll be able to become a community volunteer and head of their learning and growth. If you're still in school but wish to explore the spirit of volunteering, you'll become a student volunteer. We will minister your guided expertise in an exceeding approach that helps you learn new things every day! **Overseas Volunteers:** If you're trying to use your experience for a cause but might not be able to do so in the flesh, you'll become an overseas volunteer and work online on a diverse set of impactful projects.

Internships: If you would like to realize invaluable professional skills, you'll be able to become an SSF intern and get an opportunity to work with different departments at SSF Donor. Being an individual donor, you can support underprivileged kids with education, school fees, clothes, and food. Let's support with a small donation of educational kits to poor girl children and help them to get back to school and make them happy.

Raise funds for Shiksha Seva Foundation by crowdfunding online and encouraging your people to donate to SSF as a gift on your birthday or special day.
