STORIES BEHIND OUR IMPACT

A DREAM GIVEN WINGS

"EVERY CHILD DESERVES THE OPPORTUNITY TO LEARN, DREAM, AND SUCCEED."

Narmata's dream of continuing her education was challenged by her family's financial circumstances. With her mother working as a domestic helper and her father employed in a private company, supporting the education of two daughters was not easy.

Through Shiksha Seva Foundation's learning kit and school fee support, her family received timely assistance that allowed Narmata to stay focused on her studies. Her dedication led to an outstanding **87.20%** in her **Class 10 Board Examination**, bringing pride, hope, and renewed confidence to her family.

HOPE BEYOND HARDSHIP

"BEHIND EVERY DETERMINED CHILD IS AN OPPORTUNITY THAT CHANGES EVERYTHING."

In the narrow lanes of a slum community in Dahisar, Mumbai, **Pranita** grew up watching her mother work tirelessly as a domestic helper to keep the family going, while her father remained unemployed. Despite the hardships, Pranita never let her dream of education fade.

Recognising her potential, Shiksha Seva Foundation provided a learning kit and support for her school fees, enabling her to continue her education with confidence and hope. With unwavering determination, Pranita secured an impressive **88.20%** in her **Class 10 Board Examination**, transforming years of struggle into a moment of pride and hope for her family.

DREAMING BEYOND CHALLENGES

"EVERY CHILD CARRIES A DREAM - SOMETIMES ALL THEY NEED IS SOMEONE TO BELIEVE IN THEM."

Growing up in a financially challenged family, **Jyoti** has witnessed hardships from an early age. While her father works tirelessly to support the family, her mother manages the household and cares for her siblings, two of whom are living with disabilities. Yet, Jyoti never allowed these challenges to limit her dreams.

At Shiksha Seva Foundation's Udaan Remedial Centre, Jyoti found a nurturing environment where she received academic guidance, encouragement, and the confidence to believe in herself. Today, Jyoti is a confident learner, an active participant in cultural activities, and dreams of becoming a banker to create a better future for her family.

A DREAM TO HEAL, A FUTURE TO SERVE (SCHOLARSHIP)

"WHEN POTENTIAL IS SUPPORTED, NO DREAM IS BEYOND REACH."

For **Smrutirekha Behera**, becoming a doctor was a dream shaped by determination but challenged by limited resources. An MBBS student from Jagatsinghpur, Odisha, she comes from a family dependent on her father's small farming business, where every season's earnings had to support both household needs and the significant cost of medical education.

Through the CSR support of **AM/NS India** and the educational support of **Shiksha Seva Foundation**, Smrutirekha received timely assistance to continue her MBBS education. The support eased the financial burden on her father, allowing her to focus on her studies and move closer to her dream of becoming a medical professional.

Supported by the Paytm Scholarship, Anmol was able to make the most of these opportunities, earning **1st place** in a Linear Algebra Contest, securing **2nd place** in the Scaler AI Labs 48-hour Hackathon, and representing his institution at a Model United Nations Conference.
